

60-SECOND OVERVIEW

Read this script before any circle, recording, or story gathering session.

SCRIPT

Welcome. Today we gather stories about identity, faith, caste, and gender.

Share only what you are ready to share. Passing is always welcome.

Tell us if we can quote you, record you, or keep your story private.

You can change your mind later. Email hello@equalvoicescollective.org and we will remove your story.

We will log your consent choices and confirm updates so you can trust the process.

FACILITATOR CUE

Pause after the script to answer questions and note any withdrawal requests immediately.
