

## 60-SECOND OVERVIEW

Assess reflective writing with criteria that honor listening, consent, and thoughtful use of sources.

## CRITERIA

Listening and care: 4 excellent when the writer cites peers respectfully and seeks consent before sharing.

Use of course materials: 4 excellent when concepts are applied accurately with citations.

Personal insight: 4 excellent when the writer names growth and next steps with humility.

Craft and clarity: 4 excellent when sentences are clear, paced, and accessible.

## SCORING GUIDANCE

3 proficient: meets expectations with minor notes for depth or clarity.

2 developing: needs coaching on grounding claims or honoring consent agreements.

1 emerging: revisit ground rules and invite a revision with support.
